MAHATMA GANDHI AND TRADE MARKS.

The following Press Note, dated 2nd August 1951, issued by the Ministry of Commerce and Industries, New Delhi, is republished for general information :—

"Instances have come to the notice of the Government of India where the name or representation of Mahatma Gandhi has been used *in trade marks* and for other business purposes. While it would be possible to take action under the Emblems and Names (Prevention of Improper Use) Act, 1950, to stop such practice, the Government of India consider that legal measures should not be necessary where the Father of the Nation is concerned and that public opinion and the good sense of the business community should be sufficient to prevent the exploitation of his name. The Government of India, therefore, hope that whenever such instances come to the notice of members of the public they will draw the attention of the persons responsible to the desirability of discontinuing the practice. Members of the public may also bring such instances to the notice of the Government of India, Ministry of Commerce and Industry, or of the State Government concerned, with a view to suitable action being taken."
